November Recap

This year went by very fast. It is already December! Last month, we learned about 'Thanksgiving', Pilgrims and about Squanto, the native American who helped the Pilgrims a great deal. The children had a wonderful time celebrating our Thanksgiving Feast while eating from a long buffet table arranged by them. Thanksgiving has always been an enjoyable day for family and friends. It is time to give thanks for the good things in our lives. I would like to thank all the parents who helped us make the Thanksgiving party a success.

December Newsletter

In December our classroom gets all bright and shiny to greet this wondrous time of the year where we learn about all the major celebrations of the cultures around us. We will honor Diwali, Hanukkah, Christmas, Chinese (Lunar) New Year and Eid which is the celebration at the end of Ramadan.

We will be having our Celebrations around the World Party on Friday, December 13 from 5 pm to 7 pm. Please make sure you arrive on time because the children will be singing the songs they learned before eating the Potluck lunch. Please dress in your traditional clothes to come celebrate! During the month we will have more craft making and review what the children have learned.
