

Maple Tree Classroom
September 2025

August Recap

In the month of August we brought in the Summer with our Summer Party! Children learned Class Rules and different shapes. They experimented what happens when we mix colors. They gained knowledge about different pet animals that we can have in our homes. In addition to it, children came to know all about their body. They also learned about community helpers. It was a fun filled month for the children.

September news

As we begin the month of September we will be Celebrating Grandparents Day Friday the 5th! Children will also be learning about the different seasons, fall in particular. This month they will also be learning about Firetrucks, what they are for and what they do and their shapes and sizes. They will learn more about our 5 senses with hands on activities. Children will be doing some art work and having a lot of fun while learning!

Some Important Dates to Remember:

School Closed for Labor Day September 1st
