

NEWSLETTER OF NOVEMBER 2025

October Recap

October was a month bursting with discovery and creativity in our classroom! The children explored the cultures of Mexico, Alaska, and Greenland, learning about each country's flag, national flower, bird, and animal. They also practiced new letters and their sounds. Science came alive as they studied the life cycle of a pumpkin and identified its different parts, sparking curiosity and wonder.

The highlight of the month was our exciting field trip to the pumpkin patch, where each child picked their very own pumpkin to bring back and paint. We wrapped up the month with a festive **Halloween Party** and trick-or-treat celebration in the school playground, filled with costumes, laughter, and sweet treats. It was a joyful way to celebrate all the learning and fun October had to offer!

November news

In the month of November, the children will learn about Native Americans, the Pilgrims, and the traditions of Thanksgiving. They will review the names of the seven continents and some letters of the alphabet through engaging activities and games.

To celebrate the season, the class will enjoy a festive Thanksgiving feast together.

Dates to remember:

Birthday: Wyatt Connie Maina Omar

Thanksgiving party: Friday 11/21 School closed: 11/27 & 11/28
