

NEWSLETTER OF NOVEMBER 2025

October Recap

October was a season of discovery and delight in the Redwood classroom! The children learned about Christopher Columbus and his voyages, sparking curiosity about exploration and history. As autumn arrived, they observed the changing weather, admired the vibrant fall colors.

The highlight of the month was our exciting field trip to the pumpkin patch, where each child picked their very own pumpkin to bring back and paint. We wrapped up the month with a festive **Halloween Party** and trick-or-treat celebration in the school playground, filled with costumes, laughter, and sweet treats. It was a joyful way to celebrate all the learning and fun October had to offer!

November news

November Newsletter - A Month of Gratitude and Discovery

November is a special time in our classroom as we focus on the spirit of Thanksgiving. The children will learn the story of the Pilgrims and their journey on the Mayflower, and how the Native Americans helped them survive in the New World. We'll explore how this act of kindness led to the first harvest celebration, which later became the national holiday of Thanksgiving, officially declared by President Lincoln to be celebrated every fourth Thursday of November.

Throughout the month, the children will reflect on what it means to be thankful. They will create a "Thanksgiving" booklet and express gratitude for the people who support them—family members, friends, and teachers. Our learning will also continue with lessons about the continent of North America and fun seasonal activities like making thankfulness crafts. As the days grow shorter and darker, we'll also explore the fascinating world of nocturnal animals—those that come alive at night. It's a month full of meaningful learning and heartfelt appreciation!

Dates to remember:

Thanksgiving party: Friday 11/21 School closed: 11/27 & 11/28
