

Maple Tree Classroom November Newsletter

October recap...

October was a lively and exciting month in our classroom! We were thrilled to welcome some new classmates and quickly made them feel part of our learning community. Together, we explored fascinating fall creatures like owls, bats, and spiders, sparking curiosity and wonder. We also discovered why leaves change color during autumn, adding a splash of science to the season.

Pumpkin fun was in full swing as we sang new songs, created festive art, and celebrated the joy of fall. To top it all off, we had some special birthday celebrations that brought even more smiles to our classroom. It was a month filled with learning, laughter, and lots of seasonal cheer!

November!!!

This November, our classroom will be buzzing with exciting learning!

We'll explore birds, ladybugs, and more fascinating creatures. As Thanksgiving approaches, we'll talk about what makes us feel thankful and celebrate with festive turkey art and a fun discussion about our favorite Thanksgiving foods. We'll also honor Veteran's Day along the way. It's going to be a joyful and meaningful month!

Dates to remember:

November 27th & 28th Thanksgiving 😊 (School Closed)
