

## Seedlings Classroom-**November** Newsletter

### **October Recap**

What a fun month we had! October was full of pumpkin fun, fall adventures, and some super cool spider discoveries. We wrapped it all up with spooky crafts, silly costumes, and lots of Halloween excitement! We hope you all had a fun and safe Halloween! 

### **November Infant News**

Happy November, families!

This month, our little ones will be exploring the wonderful world of *thankfulness* and all the cozy sights, sounds, and textures of fall. We'll be building our vocabulary words with different fall foods, and having fun with sensory play with crinkly leaves, featuring the color **brown**—our color of the month!

We'll wiggle and giggle to our **theme song**, *Five Little Turkeys*, and move our bodies with some gentle **Animal yoga** and dancing to the **Turkey Dance**. We'll also enjoy story time with a **thankfulness-themed book**, perfect for this special season.

It's going to be a month full of learning, laughter, and love.

We hope you all have a warm and wonderful **Thanksgiving!** 

### Dates to remember:

Thanksgiving November 27th-28th we will be closed.

## Seedlings Classroom Lesson Plan

### November, 2025

| Monday                                                                                                               | Tuesday                                                                                                                                            | Wednesday                                                                                                                                                       | Thursday                                                                                                                                   | Friday                                                                  |
