

Rainforest Classroom

October 2025

September recap:

Children learned about North America in September. They studied about USA, Canada. They learned about the map, flag, national animal, bird, fruit and flowers of those countries. In addition to this they worked on the sounds of few letters and learned some Montessori jobs. To develop intergenerational bond, we celebrated Grandparent's Day to remind the children about the importance of having them in our life. Most importantly, they tasted different kinds of apples.

October news:

Children will learn about Mexico, Greenland and Alaska their flag, map, national flower, animal and bird. They will also work on life cycle of apple and pumpkin. Along with it they will learn some Montessori jobs like names of 3D shapes, spindle box (numbers 0-9), Red rods. The students will participate in picture days, capturing memories and showcasing their growth. Children learned about **Fire Prevention and safety** where students got educated about important safety tips and how to stay calm and protected in case of a fire.

Our main attraction of the month will be the Halloween Parade on 31st October 2025, where they will dress up in a wide variety of costumes and have trick or treat.
