

Evergreen Classroom News letter

SEPTEMBER RECAP:

In September, the children enjoyed exploring the beautiful fall colors as the leaves changed into vibrant reds, oranges, and yellows. They also experienced apple tasting, discovering the different flavors of fresh apples from local orchards. The kids learned about North America, understanding its diverse landscapes and cultures. Additionally, they celebrated Grandparents Day, expressing love and gratitude to their grandparents through special activities and making cards for their grandparents, creating special memories together. It was a wonderful month filled with learning and fun outdoor adventures.

OCTOBER NEWS:

In October, the children will explore North America further, learning more about the continent's diverse regions and cultures. They will also learn about spiders, observing how these creatures build their webs and play important roles in nature. Also, kids will review the letter "B" in the first week. The students will participate in picture days, capturing memories and showcasing their growth. The children will continue to explore everything around them, discovering new facts and enjoying hands-on experiences throughout the month.
