October 2025

In September...

We had a wonderful time celebrating Grandparents Day and honoring the special role our grandparents play in our lives! 🍁 We explored the changing seasons and discovered how each one brings something unique. 👃 👁 👂 We dove into our five senses while learning all about firetrucks—their purpose, what they do, and the many shapes and sizes they come in. 🧠 To top it all off, we got creative with some fun art projects and made amazing memories while learning!

Coming In October...

During October, we're ready for a month full of excitement and discovery! 🙌 We'll be welcoming one or two new friends to our class—what a great way to start the season! 🦇 🦉 🕷 Our learning adventures will take us into the world of bats, owls, spiders, and other fascinating fall creatures. 🧠 🧩 We'll get creative with autumn-themed art projects and learn some fun new songs to celebrate the season. 🍁 And as the leaves change color and gently fall, we'll explore the science behind this beautiful transformation—all while soaking in the Halloween spirit!

Dates to remember:

Halloween Parade on Friday, 31st October 2025 (9:30–10:00 am)
