

# Rainforest/Redwoods Classroom January, 2026 Newsletter

## December Recap

December was a busy and exciting month filled with projects and progress toward mastering current skills. The children explored and discovered traditions from Celebrations around the World, including Diwali, Hanukkah, Christmas, Chinese New Year, and Ramadan/Eid. Our

Celebrations Around the World Party was a wonderful success, highlighted by the fantastic performance the children presented! We also delighted in the delicious dishes generously shared by parents at our potluck.

## Welcome 2026~January (Newsletter)

We're welcoming the New Year with an exciting study of the continent of Africa. Known for its incredible diversity, Africa is home to many unique biomes. From the awe-inspiring landmarks of Egypt's desert to the vibrant wildlife of the Rainforest and the vast Savannah, these discoveries are sure to spark the children's curiosity and inspire their enthusiasm for learning new things!
