

Evergreen Classroom Newsletter

February 2026

JANUARY RECAP:

The children spent January diving into exciting themes. They explored Africa's animals and habitats, learning about creatures like lions, elephants, and zebras. They also discovered how some animals hibernate to survive the winter. Later in the month, they celebrated Chinese New Year, exploring its traditions, symbols, and the meaning of the Year of the Rabbit. Through crafts, stories, and songs, the children enjoyed a month full of culture, nature, and hands-on learning.

FEBRUARY PLANS:

In February, the children will explore themes of love, kindness, and emotional awareness. They'll celebrate Valentine's Day by making cards, exchanging Valentines, and practicing thoughtful ways to show care for others. Throughout the month, they'll learn about different emotions—like happiness, sadness, anger, and fear—through stories, songs, and simple role-playing.

They'll also learn about President's Day, discovering fun facts about U.S. Presidents and creating paper hats inspired by different leaders. Peace Education will be introduced through the Peace Rose, helping children practice gentle communication and understanding.

The month will be filled with meaningful, hands-on activities that encourage kindness, cultural awareness, and emotional growth, giving the children plenty of joyful moments to share together.

DATES TO REMEMBER

School closed on February 16th- President's Day

BIRTHDAY Lily- 21st February
