

# Evergreen Classroom Newsletter 2026

## FEBRUARY RECAPS:

This February, the children learned about Valentine's Day and the importance of love and kindness. They made and exchanged cards, explored emotions through stories and role-play, and celebrated Presidents' Day by learning about U.S. Presidents and creating paper hats. They also practiced Peace Education concepts like the Peace Rose, enjoyed a visit from the Tooth Fairy to learn about dental care, and took part in activities that fostered kindness, cultural awareness, and emotional growth.

## MARCH PLANS:

This March, the children will explore Asia and the arrival of spring through stories, crafts, music, and outdoor activities. They will learn about Asian cultures and traditions, make paper lanterns, and enjoy dance and songs. The class will celebrate Dr. Seuss's birthday on March 2nd and St. Patrick's Day on March 17th with themed crafts and stories. Throughout the month, they will practice grace and courtesy, observe seasonal changes, and take part in activities that promote cultural awareness, kindness, respect, and appreciation for nature.

**Tuesday 17<sup>th</sup> is ST. Patrick's Day. Please dress your child in green on that day.**

## Evergreen Classroom Lesson Plan

Month: March 2026

Monday	Tuesday	Wednesday	Thursday	Friday
<b>2</b> Dr. Suess's Birthday Make Seuss-inspired crafts 🧠	<b>3</b> Learn about Asia, Asian countries & their cultures 🏠 <b>letter of the week "M"</b>	<b>4</b> Spring flowers & weather 🌸☁️ <b>pink tower</b>	<b>5</b> Traditional Asian music & dance 🎵	<b>6</b> Make Asian-inspired crafts (lanterns, fans) 🏮✍️ <b>and Reviewing letter "M"</b>
