

## February Newsletter

### Seedlings-Infant

## January Recap

In the month of **January**, we celebrated the New Year and explored the color **white**, using familiar examples such as snow and flowers. The children practiced signing “**snow**” in sign language, worked on practical life skills using balls and tongs, and focused on gently putting toys away. We also enjoyed reading the story *Polar Bear, Polar Bear, What Do You See?*

## February news

### February Infant Newsletter

As we begin the month of **February**, we will be celebrating love and friendship with a Valentine’s card exchange. Our sign language focus will be “**I Love You**” and “**Friends.**”

The infants will enjoy singing songs such as “**Patty Cake, Patty Cake**” and “**Five Little Hearts,**” along with lots of fun playing **peek-a-boo.**

We will continue working on developmental and practical life activities. We will be including **water pouring, sorting Legos by size, and learning how to sit properly and push in a chair.** A **special handmade gift** will be created for parents to celebrate the season of love.

#### Important dates to remember:

February 13<sup>th</sup> Valentines card exchange
