

Maple Tree Class

January 2026 Recap

🌟 January Recap 🌟

January was a bright start to our year. We celebrated New Year's Day, explored winter through hands-on activities, learned how animals adapt to the cold, practiced counting skills, added new nursery rhymes to our routine, and talked about kindness and friendship while learning about Martin Luther King Jr.

❤️ Looking Ahead to February... ❤️

February will be a month filled with learning, celebration, and meaningful themes. We'll will learn about tooth health and caring for our smiles. Our Valentine's Day Celebration and Exchange will give the children a chance to share friendship and kindness. We'll also learn about President's Day and why we honor the leaders of our country, and explore Chinese New Year traditions, celebrations, and cultural symbols. Throughout the month, we'll continue building social-emotional skills by talking about feelings and practicing healthy ways to express them. It's shaping up to be a fun and enriching month.

Important Dates to Remember

- **February 13, 2026** – Valentine Exchange
- **February 16, 2026** – President's Day (School Closed)
