

## Rainforest Classroom

### January 2026 Recap

During the month of January, the children learned about 'Africa'. They studied the different countries of Africa, the Pyramids, animals, the longest river, the Desserts, Savanna the Rainforests and their various levels. They also learned about their food and dress.

### February Newsletter

The month of February brings us to the month where we celebrate friendship and love. We learn more about conflict resolution and how to respect each other. We have differences and we can learn how to live by embracing those differences. We will also focus on emotions because learning about how we feel can help us express ourselves better.

Caring and sharing is also a part of this curriculum. We will use role play to demonstrate how to act appropriately and what is not appropriate. They will also solve problems using 'Peace Rose'.

We will be exchanging Valentines on Friday, February 13th. (All valentines should be filled in at home).

**Dates to remember: Monday, 16<sup>th</sup> School closed**

**Friday, 13<sup>th</sup> Valentine Exchange sharing**

**Madeline & Kartik**

**Rainforest Classroom Lesson Plan**
