

## Redwood Classroom February' 2026 Newsletter

### January Recap

In the month of January, Redwood children discussed how they welcomed and celebrated the New Year. They also learned about the seven continents, arctic animals, winter season and the snow fall.

### February (Newsletter)

In February, the Redwood classroom will enjoy a month full of learning, creativity and celebrations. Children will learn about Groundhog Day on February 2nd and create a fun groundhog mask craft. They will also celebrate Presidents' Day by learning songs about presidents and making a booklet to support their understanding. Valentine's Day activities will include making Valentine's cards, reading Valentine's songs and stories, playing themed games, and creating crafts, while focusing on kindness, peaceful conflict resolution, and learning about the emotions of love and kindness. Children are encouraged to wear red on February 13th. Students will also participate in the celebration of Chinese New Year and explore a variety of educational topics such as winter polar animals, hibernation, wolves, winter nature, Black History Month, bird feeders, and National Children's Dental Health Month, making February a fun and enriching month in the Redwood classroom.

**Dates to remember: Friday, 13<sup>th</sup> Valentine Exchange sharing**

**Monday, 16<sup>th</sup> School closed**
