

Seedlings-Infants March Newsletter

February Recap

During the month of February, our class explored the themes of love and friendship. We celebrated Valentine's Day with a special card exchange and shared kind moments with our friends.

We practiced beginner sign language words, including *I love you* and *Mom*, to help support early communication. We also read a story about love and enjoyed a variety of fun, hands-on projects and activities.

It was a sweet month filled with caring, connection, and learning together!

March

As we welcome March, we will celebrate St. Patrick's Day and Dr. Seuss's birthday! Throughout the month, we'll enjoy simple art projects and share several engaging books together.

Our little Montessori learners will explore shapes through a fun shape hunt and a hands-on shape sensory bin. We'll also introduce a few beginner sign language words, including *wind*, *rain*, *more*, and *book*, to support early communication.

Music and movement are always a favorite! We'll sing and move along to "The Itsy-Bitsy Spider" while practicing gestures and coordination.

We're looking forward to a month full of discovery, learning, and smiles!

Tuesday 17th is ST. Patrick's Day. Please dress your child in green on that day.

Seedlings Classroom Lesson Plan

Month: March, 2026
