

## Rainforest Classroom-**April** Newsletter

### March recap

The children enjoyed learning about Asia and birds. They learned about China, India, Japan, Russia and number 1 to 5 in Chinese and Hindi and had lot of fun. Children enjoyed learning about St. Patrick's Day through different stories and activities. They were thrilled about hunting the leprechaun in the classroom and were surprised when they saw the class was messed up. At the end of the day the children got a golden coin from a mischievous little leprechaun. There was so much to learn.

### April news

During the month of April we will be talking about Recycling, Reusing and Repurposing. We will learn how it is important to take care of our planet and what we can do to preserve it. We will also do some gardening and talk about our insect friends and their very important role on our planet. During April we also learn about our friends the amphibians and work on the Life Cycle of the frog.
