

Rainforest Classroom-**May** 2025 Newsletter

April recap

The children enjoyed learning about Earth Day. They came to know how important it is to take care of our planet and what we can do to preserve it. We did some gardening and talked about our insect friends and their very important role on our planet. We also learned about how to 'Recycle', 'Reuse' and 'Reduce'. There was so much to learn.

They were excited about participating in the Easter Egg Hunt. Thanks to the parents for your continued support.

May news

During the month of May, we will be talking about different countries of Europe and our friends the Amphibians. We will work on the Life Cycle of the frog. They will celebrate Mother's Day on May 8 and show appreciation during Teacher Appreciation Week (May 4-8). On May 25, they will honor Memorial Day with a special art project.

Dates to remember: School Closed on Monday 26th May.

Mother's Day Friday 8th May

Graduation Ceremony Friday 15th May

Teacher appreciation week 4th-8th May

Theme: Amphibian and Europe
