

## Redwoods Classroom-May 2026 Newsletter

### April recap

In April Redwoods classroom learned about change of weather and arrival of Spring Season, how the rainbows and clouds are formed. They learned about different types of birds and names of spring flowers and songs. On Earth Day they learned about Reduce, Re-use and Recycle and importance of planting trees.

### May news

The month of May is a great time to learn about animals, weather, nature life cycles, plants and insects. Children will plant seeds indoors and outdoors to see how they sprout. Do the activity of germination of seed.

Cinco de Mayo will be celebrated on the 5th and Mother's Day on the 8th. The children will do crafts and compose Sentences for Mother's Day. They will learn about five classifications of Animals - mammals, amphibians, reptiles, fish and birds.

**Dates to remember: School Closed on Monday 25<sup>th</sup> May.**

Mother's Day Friday 8<sup>th</sup> May

Graduation Ceremony Friday, 15<sup>th</sup> May

Teacher's appreciation week 4<sup>th</sup>-8<sup>th</sup> May
