

Maple Tree- Toddler June Newsletter

May recap

In May we learned about different letters, numbers, and shapes. We also celebrated all the moms for Mother's Day. The children enjoyed hands-on activities, crafts, and music while exploring new themes throughout the month. We also encouraged kindness, creativity, and teamwork through fun classroom and outdoor activities.

June activities

In June we will be working on our fine motor skills. We will be practicing pouring, putting on socks, shoes, buttoning bottoms, zipping zippers and more. We will be celebrating our Father's with a Father's Day celebration. We will learn about animals in the ocean and the history of Juneteenth. We also will be welcoming some new Friends to our class from the infant classroom this month.

Important dates to remember

Father's Day Celebration 🐻 June 19th
