

Seedling classroom Newsletter June 2026

May Recap

May was such a fun and exciting month in our classroom! We celebrated **Mother's Day**, **Cinco de Mayo**, and **Memorial Day** with special activities, music, and art projects. Our little learners practiced signing the word "Mommy" and enjoyed reading our Book of the Month, *I Love Mommy*.

We also focused on important developmental skills. The children had fun practicing how to grasp and hold blocks, helping strengthen their fine motor skills and hand-eye coordination. Some of our little ones are even beginning to take their first steps and learn how to walk! We are so proud of all the growth, learning, and joyful moments we shared together. 🌸

June News

June is going to be full of sunshine, smiles, and fun! 🌈 We will celebrate **Father's Day** and make special surprises for Daddy. Our Book of the Month is *I Love Daddy*, and we can't wait to read all about love and family together. 📖❤️

This month we will have so much summer fun with painting, water table play, and bubbles outside! The children will also learn about healthy foods using colorful flash cards and fun activities. We will squish, roll, and create with Play-Doh to help build little hand muscles and spark creativity. There will be lots of laughing, learning, and exciting adventures all month long! ☀️😊

Important day to remember: Father's day on Friday 19th June
