

## Redwoods Class July Newsletter 2026

### June recap:

As the warm summer days approached, the children enjoyed a variety of outdoor water activities while exploring the joys of the season. They learned about summer weather, the longest days of the year, and the summer solstice. The children also discovered fascinating facts about ocean animals, celebrated Father's Day, and explored the continent of Australia through engaging activities and discussions.

### July activity:

In the month of July, the Redwood classroom will celebrate **Independence Day** through engaging activities and crafts. The children will learn the **Pledge of Allegiance**, the **National Anthem**, and explore the meaning of the American flag while creating patriotic art projects.

Our class will also learn about **community helpers**, with a special visit from local firefighters. The children will have the exciting opportunity to meet the firefighters, learn about fire safety, and explore a real fire truck.

As the excitement of the **World Cup** continues, the children will enjoy learning about soccer, discussing their favorite teams, and participating in fun soccer-themed activities.

Later in the month, the Redwood classroom will celebrate the **Moon Landing**, honoring astronauts **Neil Armstrong**, **Buzz Aldrin**, and **Alan Bean**. Through stories, hands-on activities, and discussions, the children will learn about this historic achievement and the wonders of space exploration.
