

Seedling Class Newsletter 2026

June Recap

What a fun-filled month we had in June! The children enjoyed celebrating Father's Day and worked hard creating special surprises for Daddy. ❤️ We loved reading our Book of the Month, I Love Daddy, and learning about love, family, and friendship through stories and discussions. 📖

This month was packed with summer fun! The children explored their creativity through painting projects, and had lots of fun chasing and popping bubbles outside. We also learned about healthy foods using colorful flash cards and interactive activities. Play-Doh time was a favorite as the children squished, rolled, and created while strengthening their fine motor skills. It was a month full of smiles, learning, laughter, and wonderful memories! 😊🌻🌈

July News

July is going to be an exciting month filled with summer fun, learning, and adventure! We will celebrate Independence Day and will be closed on Friday, July 3rd in observance of the holiday.

This month, our little learners will explore the fascinating world of dinosaurs! 🦖 We will read dinosaur stories, participate in fun dinosaur-themed activities, and discover what makes these prehistoric creatures so interesting. The children will enjoy hands-on sensory experiences, including exploring frozen dinosaur eggs and learning about the cool properties of ice. ❄️🥚

We will also continue enjoying summer with water table play and outdoor activities. 🌊☀️ A special obstacle course day will encourage movement, balance, and coordination, while a block-building day will inspire creativity and problem-solving skills. July is sure to be packed with laughter, exploration, and lots of summer memories! 🌈😊🦖
